## COMING!

HON. W. E. KING

EDITOR DALLAS EXPRESS, DALLAS, TEXAS, LECTURER AND SOCIAL SERVICE ADVOCATE, STATE ORGANIZER NEGRO BUSINESS LEAGUE IN TEXAS.

Will lecture in the interest of the Business League and Social Service Work in Texas. With over a quarter century of work in Texas as a publisher, identified with the work which concerns the State and its people from every angle. Mr. King has had much experience and what he is undertaking to do for the people is too well known to need explanation here. When you see the announcement of his coming, lay aside your doubts and prejudice, and help to make his coming a success. It will help you.

## Being Mis-understood.

Another thing, I am being mis-understood and the work I am undertaking to do is being hampered and hindered. Often when I write the leading man, or rather the one whom I think has influence in the town, city or community; of my coming, he gets the idea that I am coming to be entertained and that I want to see a crowd that will fill the biggest house in town—that I am a professional wind-jammer, with a professional axe to grind, hidden up under my coat. And if everything is not out of the way, so that I can have a crowd to which to speak, and he can at the same time, show the town off pretty, he writes me, giving me a new date, when all of this can be done. This is all wrong. I don't want to show off or show off. I don't want to show off. I don't want to show off.

When I do want to show off, I want to get out and see the other men of influence, who like myself, want to see more business in your home town or community, which will give employment to young colored people.

Organize them into a committee and select a place at which I can meet the most thoughtful men and women, in order that we may do something to better the business and moral conditions of the race, right where you live. If a crowd can be gotten out all right; if not, get out the people who want to see better times and who will work to help your community. These I will be glad to speak to and organize, so that you can help yourselves.

Write me intelligently and say come on. Between the time you write me and the time I come, keep busy talking up the meeting, place and the date. If convenient get out hand bills and put your advertisement in the paper where you take it.

When I come, have some one to meet me. When you hear me speak and we organize—when I am gone, do what I told you, and your town will be better and your people encouraged.

Please do not change my dates, except for death of an awful disaster.

The Lord willing I go as follows:
